# Algebra Golf

Use 1 Die   **Names**

Players:	Write your name in a rectangle. →				Course Rules: Roll the die. Substitute the number for x and evaluate the expression or equation. If it is true, you make a **hole in one**! If not, it counts as one stroke. Continue rolling the die until the solution is true. One stroke penalty for each die that falls off your desk.
Hole	Par				
1	3				$x - 2 > 1$
2	3				$x + 3 < 7$
3	2				$2x \geq 6$
4	6				$x / 2 = 3$
5	6				$1 \geq x$
6	1				$x < 2x$
7	3				$4 + x > 8$
8	5				$3x < 7$
9	6				$4x + 1 = 9$
Par =	35
