

## **TREASURE MAP:**

*On a piece of graph paper you are going to plot the starting location (X, Y), then follow the instructions to the treasure location. You must draw a line to each turning point and label the ordered pair location.*

Starting Point:

- **(-8, -5)**
- Go East 7 units
- Go South 8 units
- Go East 10 units
- Go North 15 units
- Go East 5 units
- Go North 12 units
- Go West 6 units
- Go South 7 units
- Go West 7 units
- Go to location (1,1)
- Go to location (-4, 1)
- Go North 11 units
- Go West 4 units
- Go South 6 units
- Go West 4 units
- Go to location (-12,-1)
- Go to East 4 units
- Go South 3 units.
- **Mark an X at this location**

**Make sure you have labeled all locations and drawn a line connecting all locations**

## **ON THE BACK OF MAP:**

**Make a creative and descriptive STORY that will go with the directions to the Treasure. Make it Entertaining!!!!!!**
